

**GNOSIS - '66**

The purpose of this 1966 edition of the GNOSIS is to present a history and a record of the year just completed. More than that, its purpose is to help the readers of this book feel through picture and chronicle the spirit of Delta — that the individual is of inestimable importance in the college and in the community.

As this Gnosis goes to press Delta is completing its fifth year. Young as the college is it has attained a certain maturity; a certain direction. During the years of its conception, birth, and infancy Delta has had its days of tribulation. Adjustments that are almost inevitable when a dream takes form as a bricks and mortar, flesh and spirit reality have been made. The original goals, to provide higher educational opportunity for the young people of the Saginaw, Bay and Midland areas and continuing education for their elders are steadily coming closer to realization.

Donald J. Carlyon  
Acting President

That Delta's growth is continuing in such orderly progression is attributable in no small measure to the whole hearted support of its Board of Trustees. The Board is made up of individuals with diverse backgrounds and personalities whose common denominator may well be their single-minded interest in Delta. They guide Delta's destiny in these pace-setting times when the community college is the fastest developing facet of American education. Their successful effort to keep Delta in the forefront of this movement, yet free from the faddism that tends to destroy real achievement, is a source of pride and gratitude to Delta's student body.

## Delta Meets *Individual* Needs

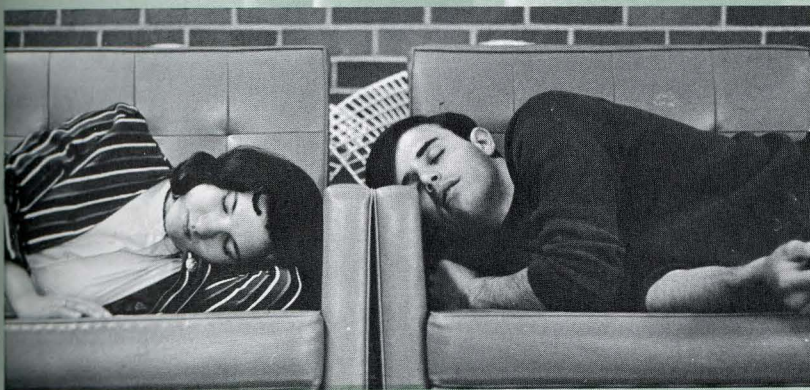

College registration is almost traditionally a time of panic and confusion. Even at Delta pandemonium occasionally reigns. The difference is that at Delta, Dean and counselors' personal concern combat crowds and conflicts to give the student what he needs and wants.

# Concourses Contribute Quiet Places For Study

Carpeted concourses with bright decor prove a boon to the student when he prefers this atmosphere to the more formal library sitting.

Editor's note—Only fooling! This shot was posed. Any resemblance to any students on campus is strictly coincidental.

G. D. I. Executive Board members Bill Ten Eyck and Tom Enszer here demonstrate their energies exerted in establishing the "Don't Knock the Rock" rock in its permanent position to the east of the front entrance. The rock was painted and repainted, serving as an outlet for students emotions and publicity for various organizations.

Growth for Delta's Interdependence was active in sponsoring TGIF dances and in promoting all types of sports and club sponsored functions.

Miss Elizabeth Corbishley, Mary Ann Keit and Jerry Boissonneault were among the people who took part in a student leader-faculty conference at Mystic Lake, October 8-9. Fuller understanding of one another's viewpoints was achieved in the informal atmosphere of this sylvan retreat.

A Delta student ponders the outpouring of student thinking as expressed in material posted on the Opinion Board. Here students are free to express their views subject only to the limitations imposed by good taste. Many an argument begins with a notice on the board and is carried on only through this medium. Views expressed have been known to effect changes in student attitude and even in college policy.

In Pensive Mood

Team work racked up the points as individual effort sparked offensive play. The Pioneers set a pace and precedent in 1966 for the 1967 team to live up to.

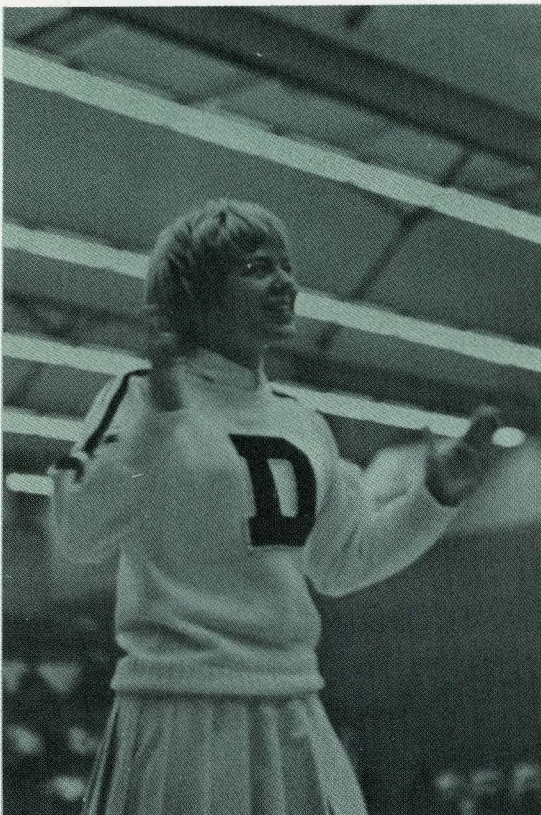

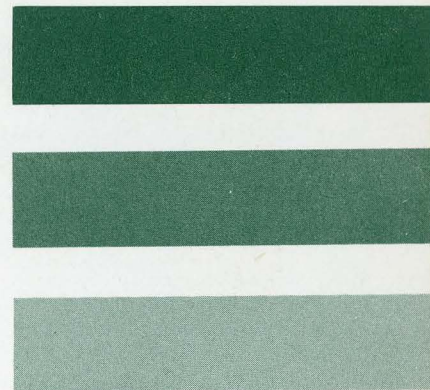

Delta's Cagers began to come into their own this year. Scoring was consistent and defense action effective. No small credit must be given to the enthusiastic spirit generated by the cheerleaders.

## Pioneers Pile Up Victories

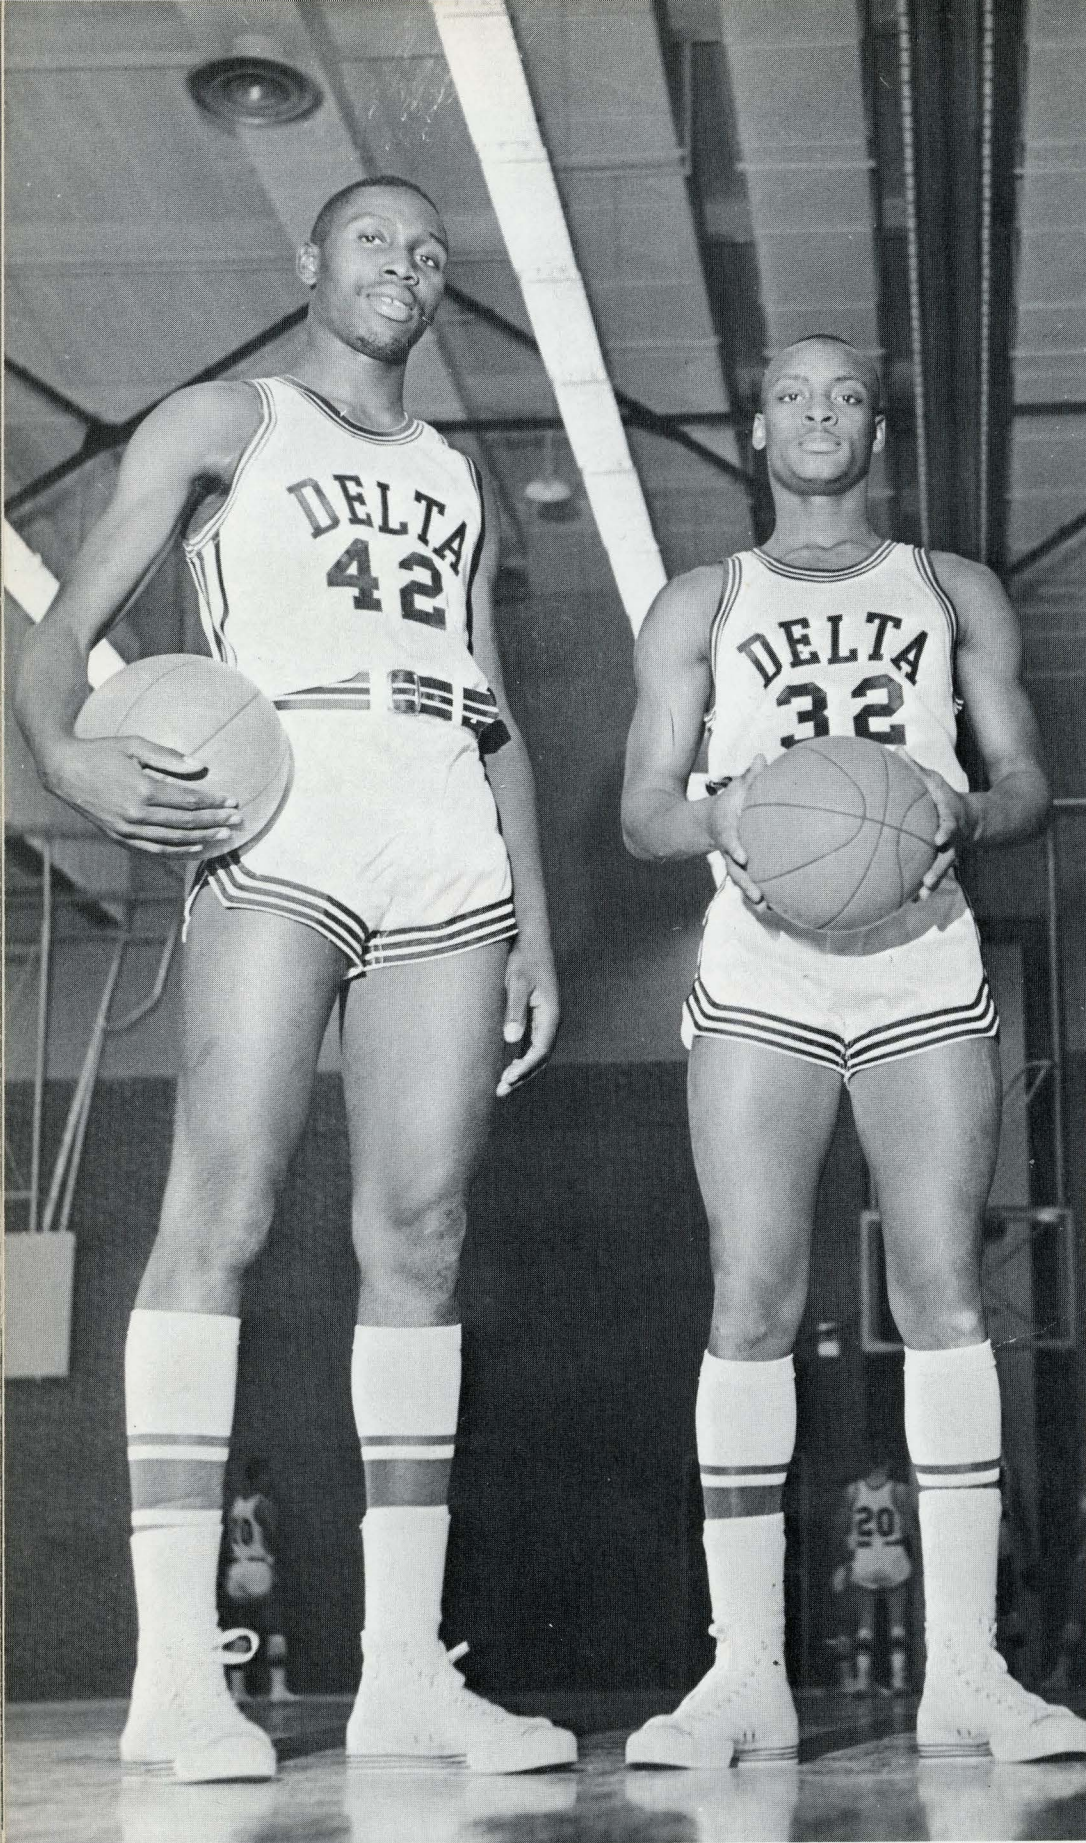

Pioneer Pom Pom girls left to right, Diane Meylan, Janet Gerst, Marge Grnya, Roxine Miller, Pat Doll, Laura Vargo, Michelle Gabrish, Dianne Henrichs, and Janet Moore.

Pom Pom girls added color and motion to half-time performance. These girls were a vital force in promoting school spirit. They scored both in sparking enthusiasm of the crowds at home games and representing the student body at away games.

Delta's basketball team finished 10 - 7 in league play to capture sixth place in the Michigan Junior College Cage Conference for the 1966 season. Coach Lynn Conway's Cagers overall record stands at 13 - 10. Dick Williams took individual scoring honors for one game with 41 points against Davenport. Williams was also named to the MJCBC first team. Larry Lindsey added punch to Delta's scoring attack by consistently making the double-figure column.
